

Index.

SUBJECTS

A

- Aberrant Jugular Vein Simulating a Cervical Cyst. Alonso, W. A., and Chambers, R. G. 244
Abscess, Otogenic Brain. Hilsinger, R. L., Jr., and Caparosa, R. J. 697
A Clinico-Pathological Study of Oral Histoplasmosis. Gupta, R. M., and Gupta, O. P. 472
Acute Injuries of the Larynx and Trachea in 49 Patients. (Observations Over a 15-Year Period.) Harris, H. H., and Tobin, H. A. 1376
Analysis of Pterygopalatine Space Surgery — 1970. Montgomery, W. W., Lofgren, R. H., and Chasin, W. D. 1190
A New Aural Speculum Holder. Downing, W. B. L. 436
A New Mini-Corkscrew for Bronchoscopic Foreign Bodies. Schaller, R., and Goff, W. F. 1740
Angiofibroma, Nasopharyngeal: Light and Electron Microscopic Changes After Stilbestrol Therapy. Walike, J. W., and Mackay, B. 1109
Artery, the Subarcuate, in Man. Mazzoni, A. 69
Audiometers, Tuning Forks to, and Back Again. Johnson, E. W. 49
Audiotometric Configurations Associated with Blast Trauma. Teter, D. L., Newell, R. C., and Aspinall, K. B. 1122
Audiometry. Impedance, the Clinical Application of. A Preliminary Appraisal of and Electro-Acoustic Impedance Bridge. Alberti, P. W. R. M., and Kristen-
sen, R. 735

- Auditory Responses, Extracranial, from the Base of the Skull. Clark, G. M., and Dunlop, C. W. 1834
Auditory System. Influence of Lesions in the: Vertex Response. Townsend, G. L., and Cody, D. T. R. 979
Aural Speculum Holder. A New. Downing W. B. L. 436

B

- Basal Cell Nevus Syndrome: A Case Report with Associated Carcinoma of the Maxilla. Shapiro, M. J. 777
Basilar Membrane. Circulation in the Capillaries of the. Lawrence, M. 1364
Bell's Palsy? Is Facial Decompression of Value in Late Cases of. Amiri, C. S. 222
Blow-Out Fractures of the Orbit. Saviano, M. F., and Alonso, W. A. 1152
Bony Meatus, Functional Results in the Reconstruction of, After Radical Mastoid Operation. Portmann, M., and Hiranandani, N. 105
Bronchial Foreign Body. Unlikely. Morgenstern, K. M. 467
Broncho-Pulmonary Problems of Early Life, Interesting. Ferguson, C. F. 1347
Bronchoscopic Foreign Bodies. A New Mini-Corkscrew for. Schaller, R., and Goff, W. F. 1740

C

- Cancer, Head and Neck, Cryotherapy in. Goldstein, J. C. 1046
Cancers. Laryngeal and Laryngopharyngeal, Pre-Operative Irradiation for. Ogura, J. H., and Biller, H. F. 802

- Carbon Black Inhalation into the Larynx and Trachea. Snow, J. B., Jr. 267
- Carcinoma of the Maxillary Antrum. (Part I, Symposium: Treatment of Malignancies of Paranasal Sinuses.) Gallagher, T. M., and Boles, R. 924
- Carcinoma on the Horizontal Ramus of the Mandible. Conley, J. 1591
- Cartilaginous Tumors of the Larynx. Hyams, V. J., and Rabuzzi, D. D. 755
- Cerebello-Pontine Angle, Meningiomas of the, and Their Relation to the Temporal Bone. Nager, G. T., and Masica, D. N. 863
- Cervical Cyst. Aberrant Jugular Vein Simulating A. Alonso, W. A., and Chambers, R. G. 244
- Cervical Exostosis. Dysphagia Due to. Ratnesar, P. 469
- Cervical Fascia and Deep Neck Infections. Levitt, G. W. 409
- Changes in the Patency of the Upper Nasal Passage Induced by Histamine and Antihistamines. Bentley, A. J., and Jackson, R. T. 1859
- Chemodectomas, Management of, (Glomus Jugulare). Smith, P. E. 207
- Chemodectomas of the Vagal Body. Trail, M. L., and Chambers, R. G. 568
- Cholesteatoma. Occurrence Following Musculocutaneous Obliteration of Mastoidectomy Cavities. Turner, J. L. 1133
- Cholesteatomata. Recurrent. Wengraf, C. 217
- Chronic Suppurative Otitis Media and the Pathologic Labyrinthine Fistula. Ritter, F. N. 1025
- Circulation in the Capillaries of the Basilar Membrane. Lawrence, M. 1364
- Clinical Electronystagmography. Rubin, W. 610
- Cochlear Duct, Early Changes in the, from Ethacrynic Acid: An Electronmicroscopic Evaluation. Quick, C. A., and Duvall, A. J., III 954
- Cogan's Syndrome. Smith, J. L. 121
- Cricoid Arch Transplantation. Delahunty, J. E., Alonso, W. A., and Bordley, J. E. 137
- Cryosurgery in Chronic Rhinitis. Ozenerger, J. M. 723
- Cryotherapy in Head and Neck Cancer. Goldstein, J. C. 1046
- Current Management of Juvenile Laryngeal Papillomata. Gross, C. W., and Crocker, T. R. 532
- Cyst, Congenital Subglottic, of the Larynx. A Case Report. Chamberlain, D. 254
- Congenital Subglottic Cyst of the Larynx. A Case Report. Chamberlain, D. 254
- Cysts of the Larynx — Classification. DeSanto, L. W., Devine, K. D., and Weiland, L. H. 145
- D**
- Deafness, Hereditary, in Animals. Physiological and Histopathological Correlates of. Suga, F., and Hattler, K. W. 80
- Deafness in Early Childhood. A Case Report. Cohn, A. M., House, H. P., and Lindsay, J. R. 1665
- Deafness, Sudden — A Local Manifestation of Systemic Disorders: Fat Emboli, Hypercoagulation and Infections. Jaffe, B. F. 788
- Delayed Development of Carotid Cavernous Fistula. Report of a Case. Butler, E. C., Tarsitano, J. J., and Wooten, J. W. 292
- Delayed Management of Facial Fractures. Bernstein, L. 1323
- Dermoplasty, Septal — Its Several Uses. Saunders, W. H. 1342
- Diagnosis of Hearing Loss in Infants Using Auditory Evoked Responses. Rapin, I., Ruben, R. J., and Lytle, M. 712

INDEX.

1909

- Directional Preponderances in Clinical Electronystagmography. Brookler, K. H. 747
- Direction of Ataxic Gait After Unilateral Partial Destruction of the Vestibular System in Squirrel Monkeys. Igarashi, M., Alford, B. R., Watanabe, T., and Maxian, P. M. 896
- Dissection and Chemical Analysis of Substructures of the Organ of Corti. Thalmann, R., Thalmann, B. S., and Comegys, T. H. 1619
- Dysphagia Due to Cervical Exostosis. Ratnesar, P. 469
- Dysplasia, Polyostotic Fibrous, of Upper and Lower Jaws. Laurian, N., and Zohar, Y. 440
- E**
- Ear Infections. Nitrofurazone in the Treatment of Bacterial Re-Evaluation After Twenty Years. Douglass, C. C. 400
- Ear, Middle, Myiasis of the. Keller, A. P., Jr., and Keller, A. P., III. 646
- Early Changes in the Cochlear Duct from Ethacrynic Acid: An Electromicroscopic Evaluation. Quick, C. A., and Duvall, A. J., III 954
- Elective Neck Dissection — 1970. Reed, G. F., and Miller, W. A. 1292
- Electron Microscope. Evaluation of Preparative Techniques for the Scanning. Marovitz, W. F., Arenberg, I. K., and Thalmann, R. 1680
- Electronystagmography. Clinical. Rubin, W. 610
- Electronystagmography. Directional Preponderances in Clinical. Brookler, K. H. 747
- Endural Brain Hernia (Encephalocele). Diagnosis and Treatment. Dedo, H. H., and Sooy, F. A. 1090
- Epistaxis. Ligation of the Internal Maxillary Artery for. Allen, G. W. 915
- Esophagus, Cervical. Reconstruction of the, Via Gastric Anastomosis. Leonard, J. R., and Maran, A. G. D. 849
- Eustachian Tubal Function. The Roentgenographic Evaluation of. Parisier, S. C., and Khilnani, M. T. 1201
- Evaluation of Preparative Techniques for the Scanning Electron Microscope. Marovitz, W. F., Arenberg, I. K., and Thalmann, R. 1680
- Experiences with Revision Stapedectomy Procedures. (Part III. Symposium on Stapes Surgery.) Feldman, B. A., and Schuknecht, H. F. 1281
- Exposure of the Facial Nerve in Parotid Surgery. (Use of the Tympanomastoid Fissure as a Guide.) Tabb, H. G., Scalco, A. N., and Fraser, S. F. 559
- Extracranial Auditory Responses from the Base of the Skull. Clark, G. M., and Dunlop, C. W. 1834
- Eye-Tracking and Optokinetic Tests: Diagnostic Significance in Peripheral and Central Vestibular Disorders. Benitez, J. T. 834
- F**
- Facial Fractures. Delayed Management of. Bernstein, L. 1323
- Facial Paralysis, Peripheral Type: A Proposed Method of Reporting. (Emphasis on Diagnosis and Prognosis, as Well as Electrical and Chorda Tympani Nerve Testing.) May, M. 331
- Fallopian Canal. Massive Ossclerosis of the. Chandler, J. R. 631
- Fascial Graft Technique, Interior, and Ossicular Reconstruction. Tympanoplasty with the. Hough, J. V. D. 1385
- Fibrosarcoma of the Parapharyngeal Space. Goldman, N. C., and Hardcastle, B. 1809
- Fistula. Carotid Cavernous, Delayed Development of. Report of a Case. Butler, E. C., Tarsitano, J. J., and Wooten, J. W. 292

- Fistulas, Spontaneous Perilymph. Stroud, M. H., and Calcaterra, T. C. 479
- Follow-Up of a Human Larynx Transplantation. Kluyseps, P., and Ringoir, S. 1244
- Footplate Fragmentation in Otosclerosis Surgery. (Part I. Symposium — Symposium on Stapes Surgery.) House, H. P., Linthicum, F. H., Jr., and House, J. W. 1256
- Functional Results in the Reconstruction of Bony Meatus After Radical Mastoid Operation. Portmann, M., and Hiranaandani, N. 105
- Further Experimental Observations of Transplantation of Canine Larynx. Ogura, J. H., Harvey, J. E., Mogi, G., Ueda, N., Ohyama, M., and Tucker, H. M. 1231
- G**
- Glottic Reconstruction After Hemilaryngectomy. Quinn, H. J., Jr. 599
- H**
- Hearing Loss in Infants, Diagnosis of, Using Auditory Evoked Responses. Rapin, I., Ruben, R. J., and Lytle, M. 712
- Hemangiopericytoma, Nasal. Enerothe, C. M., Fluur, E., Soderberg, G., and Anggard, A. 17
- Hemilaryngectomy Following Radiation Failure for Carcinoma of the Vocal Cords. Biller, H. F., Barnhill, F. R., Jr., Ogura, J. H., and Perez, C. A. 249
- Hemilaryngectomy. Glottic Reconstruction After. Quinn, H. J., Jr. 599
- Hernia, Endural Brain (Encephalocele) Diagnosis and Treatment. Dedo, H. H., and Sooy, F. A. 1090
- Histoplasmosis, Orolaryngeal. Calcaterra, T. C. 111
- Histoplasmosis, Oral, a Clinico-Pathological Study of. Gupta, R. M., and Gupta, O. P. 472
- Homograft Tympanic Membrane with Suture Sling. Perkins, R. 1100
- I**
- Inclined Occlusals for Microsurgery of Larynx. DeLisa, D. A. 1871
- Injury: Respiratory Tract, a Guide to Management Following Thermal and Smoke Injury. Beal, D. D., and Conner, G. H. 25
- Interesting Broncho-Pulmonary Problems of Early Life. Ferguson, C. F. 1347
- Irradiation, Pre-Operative, for Laryngeal and Laryngopharyngeal Cancers. Ogura, J. H., and Biller, H. F. 802
- Is Facial Decompression of Value in Late Cases of Bell's Palsy? Amiri, C. S. 222
- Is Laryngeal Transplantation Justifiable? Daly, J. F. 1251
- J**
- Jaw Resection, Anterior. Rehabilitation Following. Skolnik, E. M., Tardy, M. E., Jr., and Stagman, R. G. 1580
- Jugular Vein, Aberrant. Simulating a Cervical Cyst. Alonso, W. A., and Chambers, R. G. 244
- L**
- Labyrinthine Exercises in the Treatment of Diseases Characterized by Vertigo: Their Physiologic Basis and Methodology. McCabe, B. F. 1429
- Laryngeal Obstruction Due to *Momilia Albicans* in a Newborn. Perrone, J. A. 288
- Laryngeal Transplantation, Is, Justifiable? Daly, J. F. 1251
- Laryngectomy. Supracricoid, a New Technique for Vocal Rehabilitation. Kitamura, T., Kaneko, T., Togawa, K., Unno, T., Kanda, T., Konno, A., Asano, H., and Miura, T. 300
- Laryngoscopy, Microscopic, a Review and Appraisal. Strong, M. S. 1540

- Larynx and Trachea, Acute Injuries of the, in 49 Patients. (Observations Over a 15-Year Period.) Harris, H. H., and Tobin, H. A. 1376
- Larynx and Trachea, Carbon Black Inhalation into the. Snow, J. B., Jr. 267
- Larynx. Cartilaginous Tumors of the. Hyams, V. J., and Rabuzzi, D. D. 755
- Larynx. Congenital Subglottic Cyst of the, a Case Report. Chambrelain, D. 254
- Larynx, Cysts of the — Classification. DeSanto, L. W., Devine, K. D., and Welland, L. H. 145
- Larynx. Inclined Oculars for Microsurgery of. DeLisa, D. A. 1871
- Larynx. Lymphocytic Pseudotumor (Pseudolymphoma) of the. Report of a Rare Case and Review of the Literature. Al-Saleem, T. I., Peale, A. R., Robbins, R., and Norris, C. M. 133
- Larynx. Malignant Lymphoma of the. DeSanto, L. W., and Welland, L. H. 966
- Larynx. Radiological Examination of the. Harrington, J. W., and Christoforidis, A. J. 1773
- Larynx. Rhabdomyosarcoma of. Rodriguez, L. W., and Ziskind, J. 1733
- Larynx: The Paralyzed, an Electromyographic Study in Dogs and Humans. Dedo, H. H. 1455
- Larynx Transplantation, Human, Follow-Up of a. Kluykens, P., and Ringoir, S. 1244
- Larynx, Treatment of Papilloma of the, in Children. Boyle, W. F., and McCoy, E. G. 1063
- Ligation of the Internal Maxillary Artery for Epistaxis, Allen, G. W. 915
- Light and Electron Microscopic Observations on Iodide-Induced Sialoadenitis of Hamster Submaxillary Glands. Kanda, T., and Ghidoni, J. J. 455
- Lymphocytic Pseudotumor (Pseudolymphoma) of the Larynx. Report of a Rare Case and Review of the Literature. Al-Saleem, T. I., Peale, A. R., Robbins, R., and Norris, C. M. 133
- Lymphoma, Malignant, of the Larynx. DeSanto, L. W., and Welland, L. H. 966
- M
- Macrotia — The Over-Sized Ear. A Method for Reduction. Ver Meulen, V. R. 1053
- Malignancies. Paranasal Sinus. (A Review of Sixty Cases.) (Part II. Symposium: Treatment of Malignancies of Paranasal Sinuses.) Bennett, M. 933
- Malignant Lymphoma of the Larynx. DeSanto, L. W., and Welland, L. H. 966
- Management of Chemodectomas (Glomus Jugulare). Smith, P. E. 207
- Mandible. Carcinoma on the Horizontal Ramus of the. Conley, J. 1591
- Mandibulectomy, Marginal, in Treatment of Carcinoma of the Floor of the Mouth. Keim, W. F., and Lowenberg, S. 1566
- Marginal Mandibulectomy in Treatment of Carcinoma of the Floor of the Mouth. Keim, W. F., and Lowenberg, S. 1566
- Massive Otosclerosis of the Fallopian Canal. Chandler, J. R. 631
- Mastoidectomy, Tympanoplasty with—A Re-Evaluation. Sheehy, J. L. 1212
- Maxillary Antrum. Carcinoma of the (Part I. Symposium: Treatment of Malignancies of Paranasal Sinuses.) Gallagher, T. M., and Boles, R. 924
- Ménière's Disease. The Use of Ultrasound in the Treatment of. Pennington, C. L., Stevens, E. L., and Griffin, W. L. 578
- Ménière's Disease, Treatment of, with Ultrasound (Round Window Techniques). Basek, M. 768

- Meningioma of the Paranasal Sinuses. Majoros, M. 640
- Meningiomas of the Cerebello-Pontine Angle and Their Relation to the Temporal Bone. Nager, G. T., and Masica, D. N. 863
- Microscopic Laryngoscopy. A Review and Appraisal. Strong, M. S. 1540
- Mobility, Tympanic Membrane, in the Newborn (with Seven Months' Follow-Up). Jaffe, B. F., Hurtado, F., and Hurtado, E. 36
- Monilia Albicans, Laryngeal Obstruction Due to, in a Newborn. Perrone, J. A. 288
- Muscle Activity, Pharyngoesophageal, During Swallowing in Man. Shipp, T., Deatsch, W. W., and Robertson, K. 1
- Musculoplaudy Obliteration, Cholesteatoma Occurrence Following, of Mastoidectomy Cavities. Turner, J. A. 1133
- Myiasis of the Middle Ear. Keller, A. P., Jr., and Keller, A. P., III. 646
- Myringo-Manometry: Observations in Normal and Pathologic Ears. A Preliminary Report. Eviatar, A., and Goodhill, V. 1847
- Myringostomy, Permanent, by Use of a Fixed Transmympatic Prosthesis. A Final Report. Turner, J. L. 199
- N
- Nasal Hemangiopericytoma. Enroth, C. M., Fluur, E., Soderberg, G., and Anggard, A. 17
- Nasal Passage, Upper, Changes in the Patency of the, Induced by Histamine and Antihistamines. Bentley, A. J., and Jackson, R. T. 1859
- Nasopharyngeal Anglofibroma: Light and Electron Microscopic Changes After Stilbestrol Therapy. Wallke, J. W., and Mackay, B. 1109
- Neck Dissection, Elective — 1970. Reed, G. F., and Miller, W. A. 1292
- Neck Infections, Deep, Cervical Fascia and. Levitt, G. W. 409
- Neomycin-Induced Spiral Organ Degeneration in the Guinea Pig. A Study Using the Surface Specimen Technique. Kacker, S. K. 391
- Neuronitis. Vestibular, Vestibular Habituation, Its Clinical Significance and Relationship to. Dix, M. R., and Hood, J. D. 226
- Nevus Syndrome, Basal Cell Nevus: a Case Report with Associated Carcinoma of the Maxilla. Shapiro, M. J. 777
- Nitrofurazone in the Treatment of Bacterial Ear Infections. Re-Evaluation After Twenty Years. Douglass, C. C. 400
- O
- Observations in the Development of Tracheal Prostheses and Tracheal Transplantation. Bailey, B. J., and Kosoy, J. 1553
- Oculomotor Reactions. Saccular Stimulation and. Fluur, E., and Mellstrom, A. 1713
- Oculomotor Reactions. Utricular Stimulation and. Fluur, E., and Mellstrom, A. 1701
- Optokinetic Tests: Eye-Tracking and; Diagnostic Significance in Peripheral and Central Vestibular Disorders. Benitez, J. T. 834
- Orbit, Blow-Out Fractures of the. Saviano, M. F., and Alonso, W. A. 1152
- Organ of Corti. Dissection and Chemical Analysis of Substructures of the. Thalmann, R., Thalmann, B. S., and Comegys, T. H. 1619
- Organ of Corti. Sonic Boom Effects on the. Majeau-Chargois, D. A., Berlin, C. I., and Whitehouse, G. D. 620
- Otolaryngeal Histoplasmosis. Calcaterra, T. C. 111
- Ossicular Reconstruction. Tympanoplasty with the Interior Fascial Graft Technique and. Hough, J. V. D. 1385

- Osteopetrosis (Marble Bone Disease) of the Temporal Bone. Hamersma, H. 1518
- Otitis Media, Chronic Suppurative, and the Pathologic Labyrinthine Fistula. Ritter, F. N. 1025
- Otogenic Brain Abscess. Hilsinger, R. L., Jr., and Caparosa, R. J. 697
- Otosclerosis, Massive, of the Fallopian Canal. Chandler, J. R. 631
- Otosclerosis Surgery. Footplate Fragmentation in. (Part I. Symposium — Symposium on Stapes Surgery.) House, H. P., Lintilcum, F. H., Jr., and House, J. W. 1256
- P**
- Panoramic Radiography in Head and Neck Pathology. Shramek, J. M., and Rappaport, I. 1797
- Papilloma of the Larynx in Children, Treatment of. Boyle, W. F., and McCoy, E. G. 1063
- Papillomata. Current Management of Juvenile Laryngeal. Gross, C. W., and Crocker, T. R. 432
- Paralysis, Vocal Cord. A Review of 100 Cases. Parnell, F. W., and Brandenburg, J. H. 1036
- Paranasal Sinuses. (Discussion and Summary.) (Part III. Symposium: Treatment of Malignancies of Paranasal Sinuses.) Sisson, G. A. 945
- Paranasal Sinus Malignancies. (A Review of Sixty Cases.) (Part II. Symposium: Treatment of Malignancies of Paranasal Sinuses.) Bennett, M. 933
- Paranasal Sinuses. Meningioma of the Majoros, M. 640
- Parapharyngeal Space. Fibrosarcoma of the. Goldman, N. C., and Hardcastle, B. 1809
- Parotid Surgery. Exposure of the Facial Nerve in. (Use of the Tympanomastoid Fissure as a Guide.) Tabb, H. G., Scalco, A. N., and Fraser, S. F. 559
- Perilymph Fistula Problem, the. Harrison, W. H., Shambaugh, G. E., Jr., Derlacki, E. L., and Clemis, J. D. 1000
- Perilymph Fistulas Complicating the Stapedectomy Operation. A Review of Forty-Nine Cases. Moon, C. N., Jr. 515
- Permanent Myringostomy by Use of a Fixed Transmypanic Prosthesis. A Final Report. Turner, J. L. 199
- Pharyngoesophageal Muscle Activity During Swallowing in Man. Shipp, T., Deatsch, W. W., and Robertson, K. 1
- Physiological and Histopathological Correlates of Hereditary Deafness in Animals. Suga, F., and Hattier, K. W. 80
- Polyostotic Fibrous Dysplasia of Upper and Lower Jaws. Laurian, N., and Zohar, Y. 440
- Pre-Operative Irradiation for Laryngeal and Laryngopharyngeal Cancers. Ogura, J. H., and Biller, H. F. 802
- Pterygopalatine Space Surgery — 1970. Analysis of. Montgomery, W. W., Logren, R. H., and Chasin, W. D. 1190
- R**
- Radical Mastoid Operation. Functional Results in the Reconstruction of Bony Meatus After. Portmann, M., and Hiranandani, N. 105
- Radiography, Panoramic, in Head and Neck Pathology. Shramek, J. M., and Rappaport, I. 1797
- Radiological Examination of the Larynx. Harrington, J. W., and Christoforidis, A. J. 1773
- Reconstruction of the Cervical Esophagus Via Gastric Anastomosis. Leonard, J. R., and Maran, A. G. D. 849
- Recurrent Cholesteatomata. Wengraf, C. 217

- Rehabilitation Following Anterior Jaw Resection. Skolnik, E. M., Tardy, M. E., Jr., and Stagman, R. G. 1580
- Respiratory Tract Injury: a Guide to Management Following Thermal and Smoke Injury. Beal, D. D., and Conner, G. H. 25
- Respiratory Tract. Tuberculosis of the Upper. Chodosh, P. L., and Willis, W. 679
- Revision of the Tracheal Stoma. Carleton, J. S. 260
- Rhabdomyosarcoma of Larynx. Rodriguez, L. W., and Ziskind, J. 1733
- Rhinitis, Chronic. Cryosurgery in. Ozenberger, J. M. 723
- S
- Saccular Stimulation and Oculomotor Reactions. Fluur, E., and Mellstrom, A. 1713
- Septal Dermoplasty — Its Several Uses. Saunders, W. H. 1342
- Sialorrhea. The Surgical Management of. Goode, R. L., and Smith, R. A. 1078
- Sinusitis, Acute. The Pathogenesis of Orbital Complications in. Chandler, J. R., Langenbrunner, D. J., and Stevens, E. R. 1414
- Sonic Boom Effects on the Organ of Corti. Majeau-Chargois, D. A., Berlin, C. I., and Whitehouse, G. D. 620
- Spiral Organ Degeneration, Neomycin-Induced, in the Guinea Pig. A Study Using the Surface Specimen Technique. Kacker, S. K. 391
- Spontaneous Perilymph Fistulas. Stroud, M. H., and Calcaterra, T. C. 479
- Stapedectomy — Experiences with Drill-Out and Vein Plug Prosthesis. (Part II. Symposium on Stapes Surgery.) Kos, C. M. 1272
- Stapedectomy in Van Der Hoeve's Syndrome. Patterson, C. N., and Stone, H. B., III. 544
- Stapedectomy Operation. Perilymph Fistulas Complicating the. A Review of Forty-Nine Cases. Moon, C. N., Jr. 515
- Stapedectomy Procedures. Experiences with Revision. (Part III. Symposium on Stapes Surgery.) Feldman, B. A., and Schuknecht, H. F. 1281
- Sudden Deafness — A Local Manifestation of Systemic Disorders: Fat Emboli, Hypercoagulation and Infections. Jaffe, B. F. 788
- Suprascioid Laryngectomy. A New Technique for Vocal Rehabilitation. Kitamura, T., Kaneko, T., Togawa, K., Unno, T., Kanda, T., Konno, A., Asano, H., and Miura, T. 300
- Syndrome. Cogan's. Smith, J. L. 121
- Syndrome. Stapedectomy in Van Der Hoeve's. Patterson, C. N., and Stone, H. B., III. 544
- T
- Temporal Bone. Meningiomas of the Cerebello-Pontine Angle and Their Relation to the Temporal Bone. Nager, G. T., and Masica, D. N. 863
- Temporal Bone. Osteopetrosis (Marble Bone Disease) of the. Hamersma, H. 1518
- The Clinical Application of Impedance Audiometry. A Preliminary Appraisal of an Electro-Acoustic Impedance Bridge. Alberti, P. W. R. M., and Kristensen, R. 735
- The Effect of 1,1,3-Tricyano-2-Amino-1-Propene (U-9189) on Reinnervation of the Canine Larynx "Electrophysiological Observations." Harvey, J. E., Ohyama, M., Ueda, N., Mogi, G., and Ogura, J. H. 1646
- The Function of the Tympanic Plexus as Related to Frey's Syndrome. Ross, J. A. T. 1816
- The Paralyzed Larynx: An Electromyographic Study in Dogs and Humans. Dedo, H. H. 1455

- The Pathogenesis of Orbital Complications in Acute Sinusitis. Chandler, J. R., Langenbrunner, D. J., and Stevens, E. R. 1414
- The Pathology of Tympanosclerosis. Igaraishi, M., Konishi, S., Alford, B. R., and Guilford, F. R. 233
- The Perilymph Fistula Problem. Harrison, W. H., Shambaugh, G. E., Jr., Derlacki, E. L., and Clemis, J. D. 1000
- The Roentgenographic Evaluation of Eustachian Tubal Function. Parister, S. C. and Khilnani, M. T. 1201
- The Subarcuate Artery in Man. Mazzoni, A. 69
- The Surgical Management of Sialorrhea. Goode, R. L. and Smith, R. A. 1078
- The Use of Ultrasound in the Treatment of Ménière's Disease. Pennington, C. L., Stevens, E. L., and Griffin, W. L. 578
- Tracheal Prostheses and Tracheal Transplantation. Observations in the Development of. Bailey, B. J., and Kosoy, J. 1553
- Tracheal Stoma. Revision of the. Carleton, J. S. 260
- Trachea Tubes. Variations in Size of Pediatric. Oosterhout, D. K., and Milo, A. P. 448
- Trans-Antral Surgery — 1970. Vidian Neurectomy and Other. Golding-Wood, P. H. 1179
- Transplantation, Cricoid Arch. Delahunty, J. E., Alonso, W. A., and Bordley, J. E. 137
- Transplantation of Canine Larynx. Further Experimental Observations of. Ogura, J. H., Harvey, J. E., Mogi, G., Ueda, N., Ohyama, M., and Tucker, H. M. 1231
- Trauma, Blast. Audiometric Configurations Associated with. Teter, D. L., Newell, R. C., and Aspinall, K. B. 1122
